Slate Belt Heritage Center Preservation Award

The Slate Belt Heritage Center, located at 30 Forth 1st Street, Bangor, Pa, is pleased to announce that it is now accepting applications for its "Annual Heritage Award". The purpose of the award is to acknowledge individuals who have performed exemplary acts that promote and preserve the culture and heritage of the Slate Belt. Candidates may be an individual or group and can be nominated by themselves or by another party.

There will be three (3) categories:

1. Initiative Award: Applicant who has performed exemplary actions in promoting and preserving the Slate Belt heritage through in-kind actions. This means acts that do not necessarily involve monetary donations but can be unpaid service for a preservation cause.

2. Architectural Award: Applicant who is saving or conserving a historic building, place or artifact where restoration is authentic to preservation.

3. Special Focus Award: Applicant who is saving or conserving tradition or a body of knowledge. That individual who contributes to educational information via exhibits, documentation, internet, archival, etc.

Consideration is given to projects with a specific start and end date. Whether the project meets Professionally accepted preservation and/or scholar standards. Whether the project is considered "complete" with goals and how they were achieved. Whether the project had a significant impact with before and after photographs for proof of information and/or proof that a historic piece would have been otherwise lost if the nominee had not completed the project.

Nominations will be accepted this fall and will be reviewed in January of each year. The awards will be presented at a special program in June. One prize will be awarded with the possibility of one per category depending on committee's review of candidates. Nominations should include a description of entry, photos (if applicable), and any pertinent documentation. The Heritage Center retains the right to exhibit and/or publish the application materials, including photographs. Applications for those not chosen will be held on file, indefinitely, for future consideration.

Interested parties may obtain an application at the Heritage Center (Sundays 1-3), at local municipal offices or by contacting Karen Brewer at 484-894-5661. If calling, please leave an address to where applications can be mailed in addition to name and phone number. For additional information contact Karen Brewer.
