Headlines Harrisburg

Submitted by Rep. Joe Emrick (R-Northampton)
REAL ID Deadline Postponed to 2023

The U.S. Department of Homeland Security announced this week it was again postponing the enforcement date for REAL ID until May 3, 2023, citing ongoing pandemic restrictions that have impacted states' ability to process and issue the enhanced driver licenses and identification cards.

REAL ID is a federal law that affects how states issue driver's licenses and ID cards if they are going to be acceptable for federal purposes. A federally acceptable form of identification must now be used on and after May 3, 2023, to board a domestic commercial flight or visit a secure federal building or military installation that requires ID for access. Federally acceptable forms of identification include a Pennsylvania REAL ID driver's license or ID card, a valid U.S. passport/passport card or a military ID.

REAL ID is optional in Pennsylvania. There is no requirement that any resident obtain a REAL ID. PennDOT will continue to offer standard-issue driver's licenses and photo IDs.

For more information about REAL ID and how to obtain one, visit PennDOT.gov/REALID.

St. Luke's Hospice Bike Ride Scheduled for June 5 on the D&L Trail

Jill MacLaren, of East Stroudsburg, calls the annual St. Luke's Hospice Bike Ride the "happiest day of my year." This event is when she celebrates the life of her late husband, Scott, while helping to raise money for St. Luke's Hospice education and bereavement programs.

This year's fundraiser, titled "A Ride to Remember," takes place June 5, starting and finishing on the D&L National Heritage Trail in Leighton.

Michelle Udicious, director of outreach and referral management for St. Luke's Hospice, says she expects 200-250 riders to participate in this year's rain-or-shine ride, which was cancelled in 2020 because of COVID. In its 10th year, the fundraiser raises about \$15,000 annually, all of which supports Hospice programming.

Scott MacLaren, was an avid cyclist, who rode in the inaugural Hospice event in 2011, then succumbed to cancer five years later. Each year since 2016—except 2020—Jill has rounded up a group of riders, she calls "Scott's Birthday Riders," who lead the Bike Ride. Her husband would have turned 69 this year.

"Scott's legacy lives on through this event," says Jill, who expects 15-20 cyclists to join her on this easy-going trail trip, which pushes off at 10 a.m. from the trailhead at 200 North Main Lane, Leighton.

According to Udicious, "This event allows bike enthusiasts of all abilities to participate in either a 20- or 30-mile ride. After starting in Leighton, the riders traverse riverbeds and the canal towpath, as well as some paved sections. The riders will see museums, an environmental center and beautiful views of the Blue Mountains, Appalachian Trail and Lehigh Gap."

Volunteers hand out water and snacks on the way. There are turnarounds at Slatington and Treichlers, marking the 10- and 20-mile segments. Riders each receive a t-shirt and a full boxed lunch upon return—to enjoy there or to go.

People can take a "virtual" ride if they chose not to participate in the in-person event but rather to log their

Waste Management of Pennsylvania Longtime Supporter of Pennsylvania Education Improvement Tax Credit Program In 2020, WM gave more than \$2 million to scholarship and education improvement organizations across the Commonwealth

Waste Management presented the Greater Valley YMCA – Forks Township Child Care Center with a \$4,000 Pre-K scholarship last week. The scholarship was made available through the Education Improvement Tax Credit (EITC) program. In 2020, Waste Management provided nearly \$25,000 to qualifying organizations around the Lehigh Valley and Slate Belt Region.

"Before the pandemic child care was in huge need throughout the Valley, and the need's even greater now as about 15% of local child care facilities have shut down. Now more than ever before, our EITC program partners are essential. We're grateful to Waste Management for helping the Y provide quality, accessible and affordable preschool care to local families," remarks David Fagerstrom, President/CEO of the Greater Valley YMCA.

"These contributions are helping families across the commonwealth enroll their children in education programs that will advance their skillsets for the future. We are proud to be supporting our youth and the leaders of tomorrow," stated Senior Community Relations Specialist Adrienne Fors.

Waste Management of Pennsylvania (WM) is a long-time supporter of the Pennsylvania Education Improvement Tax Credit (EITC) program. Since its inception in 2001, WM has contributed more than \$20 million to deserving scholarships and contributions and education improvement organizations across the Commonwealth. In 2020, the company contributed more than \$2 million through the EITC program across Pennsylvania.

Jacobsburg Historical Society presents, American Revolutionary War Living History Weekend

JACOBSBURG
HISTORICAL
SOCIETY

See history come alive at the third American Revolutionary War Living History weekend, **Saturday May 22nd and Sunday May 23rd** at the Boulton Historic Site and Jacobsburg Historical Society. Watch marching, drills and daily skirmishes with the British. Experience camp life complete with open-hearth cooking. Visit the sutlers tents, where you can buy hand-made colonial wares; watch as Makers and Merchants demonstrate their crafts; enjoy colonial music – and sample food and drink provided daily by Mad Js BBQ and The Colony Meadery. And don't miss our JHS Garden Annual Plant Sale! Add some green to your indoor or outdoor garden areas, or donate your extra growth to help us raise funds.

The Boulton Historic Site will be open to the public on **Saturday, May 22nd and Sunday, May 23rd from 10:00am to 4:00pm** for this very special event. While you're on site, tour the Pennsylvania Longrifle

Museum, housed in the historic Henry Homestead, with its fascinating collection of over 100 original, hand-crafted Pennsylvania longrifles and arms, as well as many of the tools from the 18th and 19th centuries used to make these historic weapons. The museum is currently displaying an impressive 18th c. Horn Object Collection on loan from Tim and Terri Lubenesky, along with new displays of Henry family artifacts - including some of their personal firearms. The Pennsylvania Longrifle Museum and our Museum Gift Shop will be open for tours on **Saturday 10:00am to 4:00pm and Sunday 10:00am to 4:00pm.**

In addition to the Henry Homestead (once an eighteenth-century log cabin), the Boulton Historic Site includes the 1832 J. Joseph Henry House, an ambitious Philadelphia townhouse built on the Bushkill Creek. Five generations of the Henry family lived in this home from 1832 to 1989, filling it with musical instruments, books, tools, paintings, furniture, and numerous other personal belongings. The J. Joseph Henry House currently features a marvelous exhibit of Henry family clothing, many of them unseen for more than 100 years until they were recovered from storage! Besides this exquisite historic fashion display,

the home also contains many treasures from the past, including a full-size replica of the most important history painting produced in colonial America. The 1756 work, entitled "Death of Socrates," was painted for William Henry I of Lancaster by the famous artist Benjamin West. The original painting hung in this home until the Henry family donated it to the Historical Society of Pennsylvania several decades ago. The J. Joseph Henry House and Summer Kitchen will be open for tours on **Saturday 10:00am to 4:00pm and Sunday 12 Noon to 4:00pm.**

The Boulton Historic Site and Jacobsburg Historical Society is located at 402-403 Henry Road near Nazareth PA. Just take the Belfast exit off of Route 33 and head towards the woods. For more information and directions, please visit our website, www.jacobsburghistory.com. Find us on Facebook @ Jacobsburg History or visit our new YouTube Channel - <https://www.youtube.com/JacobsburgHistoricalSociety> to view some exciting videos from our 2020 living history events at Boulton! Headlines Harrisburg

Submitted by Rep. Joe Emrick (R-Northampton) House Passes Emrick Delaware River Joint Toll Bridge Commission Legislation

This week, with a 200-1 vote, the House overwhelmingly passed my legislation (House Bill 607), which aims to tighten control over activities of the Delaware River Joint Toll Bridge Commission (DRJTBC).

My bill would allow for an annual, joint audit of the DRJTBC's finances and management operations by both the auditor general of Pennsylvania and the state auditor of New Jersey. Additionally, it would grant the governor veto power over decisions of the Pennsylvania commissioners like the recent toll increase just implemented.

I think it is absolutely egregious that the DRJTBC would enact a toll increase while Pennsylvanians and our businesses are still suffering financially due to the pandemic. My legislation would allow the governor to oversee and review all actions made by the commission and create another level of checks and balances especially since their decisions would affect travel between Pennsylvania and New Jersey. It is critical to provide full transparency of the commission's finances. I want to thank my colleagues for their continued support and hope that the Senate will bring this bill up for consideration in the coming weeks.

Additional information regarding this legislation can be found by visiting www.legis.state.pa.us/cfdocs/Legis/CSM/showMemoPublic.cfm?chamber=H&SPick=20210&cosponId=34425.

I have also filed a Right to Know request to the DRJTBC inquiring about their current financial status, cost-cutting measures during the pandemic and its current cash reserves. I am awaiting a response to this request.

miles and forward their donation to St Luke's Hospice.

Jill and Scott were well-known jewelers in East Stroudsburg, who owned a gallery on Chrystal Street.

"People knew and loved Scott, but even people who didn't know him ride, too." She estimates that her group has raised a total of \$2,000 for Hospice during this biking event. Jill throws a birthday picnic for her late husband after the ride at the trailhead, complete with festively decorated cupcakes.

St. Luke's events are required to adhere to current CDC guidelines and protocols such as masking, hand washing, cleaning and sanitizing and modified layout to ensure appropriate social distancing. Messaging will go out to all event participants so they are aware of current protocols, and signage will be placed throughout the event promoting these safety measures.

To register for the St. Luke's Hospice Bike Ride, visit St. Luke's - St. Luke's Hospice 10th Annual Charity Bike Ride- A Ride to Remember (slhn.org)

NEW this year: Option of creating a personal fundraising page where you can share your story with family and friends on social media/text/email. Information on this peer to peer fundraising option will be emailed with registration confirmation email from St Luke's.

Slate Belt Heritage Center May Presentation

The Slate Belt Heritage Center has announced their virtual presentation for the month of May. Retired Pen Argyl Social Studies teacher, Walter Cole, will be presenting a program on the Upper Edelman One-Room School. The presentation will also cover other Plainfield Township one-room schools, common school activities and many interesting stories about what school life was like. He will

actually be doing his presentation in the Upper Edelman School. The program will be available to view on the Heritage Center's Facebook page, starting on **Thursday, May 20th at 7:00pm**. Walter Cole was a Pen Argyl teacher for 40 years, teaching early American and local history. He is currently a board member of the Heritage Center, and has conducted over 100 oral history interviews for the Center. Mr. Cole is also the author of the recently published book on the 100th Anniversary of Weona Park, and Weona Park Centennial Calendar.
